

## Start planning now for the 2010 Southern States Symposium & Expo, presented by FDLA!

The Florida Dental Laboratory Association Board of Directors is calling for technical/scientific clinics and presenters from the dental laboratory industry to be considered for the 2010 Southern States Symposium & Expo.

FLORIDA

DENTAL

LABORATORY

ASSOCIATION

Please review the attached form and upon completion, submit to the FDLA headquarters with a clinic description, presenter's bio and presenter's headshot. The clinic description, presenter's bio and headshot can be e-mailed to [jillian@fdla.net](mailto:jillian@fdla.net). The Call for Clinics document should be faxed to (850) 222-3019 or mailed to Jillian Heddaeus at the address below.

**All applications must be submitted to the FDLA office NO LATER November 2, 2009 to be considered.**

**Applicants will be notified of the selected clinics and presenters by January 4, 2010. Any Call for Clinics form that is not fully completed, or not submitted with the required supporting documents (clinic description, presenter's bio and headshot) will be returned for further information.** Submitting a Call for Clinics form does not guarantee placement at the 2010 Southern States Symposium & Expo. The FDLA Conference Committee & Board of Directors will make all final decisions in regards to clinic selection and times.

By sponsoring a technical/scientific clinic at the Southern States Symposium & Expo, the sponsoring organization agrees to pay all travel and lodging costs for the presenter(s), as well as any incidental costs (meals, handouts, phone calls, etc.). FDLA will provide the necessary audiovisual equipment for the presentation (within reason), and will also provide a complimentary full registration for the presenter(s).

The sponsoring organization will receive signage during the seminar and recognition as a "Clinic Sponsor" during the 2010 Southern States Symposium & Expo. All Clinic Sponsors will also be recognized in the Symposium & Expo registration brochure, onsite program and in the Symposium Edition of the FDLA quarterly magazine, *focus*. Each Clinic Sponsor will also be acknowledged in the speaker introductions before the beginning of their sponsored seminar.

The 2010 Southern States Symposium & Expo will be held on May 6 – 8, 2010 at the Buena Vista Palace in Lake Buena Vista, Fla (location of the 2009 Symposium & Expo). **Don't miss the chance to be a part of one of the largest dental laboratory technology shows in the country!**

If you have questions or need any additional information, please do not hesitate to contact our office at (850) 224-0711 or by e-mail at [jillian@fdla.net](mailto:jillian@fdla.net). We appreciate your support and look forward to your participation in the 2010 Southern States Symposium & Expo!

Thank you,

Jillian M. Heddaeus
