Please review the attached Call for Clinics and Clinic Specification Forms. Upon completion, submit to the FDLA headquarters along with a **clinic description, presenter's bio and presenter's headshot**. Please e-mail this information to Jillian Heddaeus, CMP at jillian@fdla.net.

All applications must be submitted to the FDLA office NO LATER THAN November 1, 2011 to be considered.

Applicants will be notified of the clinics and presenter's who are selected by January 6, 2012. Any forms that are not fully completed, or not submitted with the required supporting materials (clinic description, presenter's bio and presenter's headshot) will be returned for further information. Submitting a Call for Clinics form does not guarantee placement in the 2012 Southern States Symposium & Expo. The FDLA Conference Committee & Board of Directors will make all final determinations for clinic selections and times.

By sponsoring a technical/scientific/management clinic at the Southern States Symposium & Expo, the sponsoring organization agrees to pay **all** travel and lodging expenses for the presenter(s), as well as any incidental expenses (meals, handouts, phone calls, etc.). FDLA will provide the necessary audiovisual equipment for the presentation (within reason), and will also provide a complimentary full registration for the presenter(s) to attend the Symposium.

The sponsoring organization will receive recognition signage during the clinics and also be recognized as a "Clinic Sponsor" during the 2012 Southern States Symposium & Expo. All clinic sponsors will also be recognized in the Symposium & Expo registration brochure, onsite program and in the Symposium Edition of the FDLA quarterly magazine, *focus*. Each clinic sponsor will also be acknowledged in the speaker introductions before the beginning of their sponsored clinic.

The 2012 Southern States Symposium & Expo will be held on May 10 – 12, 2012 at the Buena Vista Palace in Lake Buena Vista, Florida. **Don't miss the chance to be a part of one of the largest dental laboratory technology shows in the country!**

If you have questions or need any additional information, please do not hesitate to contact our office at (850) 224-0711 or by e-mail at jillian@fdla.net. We appreciate your support and look forward to your participation in the 2012 Southern States Symposium & Expo!

Thank you,
