

West Coast Workshop – Saturday, September 23, 2017

4 Points Dental Designs, Inc., 100 2nd Avenue South, Suite 203-N, St. Petersburg, FL 33701

Improved Esthetics from Presentation to the Final Product using Renfert Geo Expert Wax and GC Initial LiSi Press

Presented by: Mitch Hurst, CDT

Sponsored by: GC America, Inc. and Renfert

Attendees will do two esthetic build ups on maxillary centrals. First, they will use the new Renfert Geo Expert wax to highlight anterior tooth morphology and visualize the buildup in real time. The second central will be layered in porcelain using GC Initial LiSi on a LiSi Press substructure to replicate the wax build up. This course includes a lecture and will cover proper laboratory protocol to ensure optimal results using the GC Initial LiSi Press system.

Materials Needed:

Participants should bring a handpiece, burs and porcelain tools. Renfert will provide electric waxes; please bring carvers if needed.

Schedule of Events:

8:00 a.m. – 5:00 p.m. Hands-on Workshop (lunch included with registration)

CDT/RG: 8 Hours of Scientific Credit • State of Florida: 8 Hours of General Credit

Capacity 15. Participants must pre-register by 9/6/2017.
