Case Design for Removable
Prosthetics

By James T. Ellison, CDT
NBC Approval #34857
CE Broker # 20-610368

1. The case design criteria presented in this article cannot be applied to all removable prosthetics.

- a. True
- b. False

2. In this article the author states that "Some dentists have suggested that the minimum standard of care for edentulous patients should be four implants and an overdenture."

- a. True
- b. False

3. There are several studies which indicate that patients restored with overdentures chew more efficiently.

- a. True
- b. False

4. By adding attachments into the case design, the author states that they gain additional advantages.

- a. True
- b. False

5. The author tells us that they have rigid and resilient attachments in which to choose.

- a. True
- b. False

6. An overdenture and a complete denture are the same things.

- a. True
- b. False

7. The author states that you must be sure that the flanges do not engage any tissue undercuts more than about 2 mm.

- a. True
- b. False

8. If the patient has good bone support, you could use either a rigid or a resilient attachment. However, if the support is limited, a resilient attachment would be most appropriate.

- a. True
- b. False

9. The number of implants will affect the design. The author states that the ideal situation is to have three implants, spread out in a triangular arrangement.

- a. True
- b. False

10. The author states that the vertical space available from the implant/root to the opposing dentition is often the most important measurement.

- a. True
- b. False

Passing quiz grades are worth ½ point documented scientific credit towards your CDT or RG renewal and towards the State of Florida required 18 hours of continuing education. Look for more quizzes in future issues of focus magazine!

You must submit your completed quiz to FDLA by fax at (850) 222-3019 or by mail to the address below. For CDT credit, FDLA will report your hours directly to NBC. For State of Florida credit, FDLA will email or mail a certificate to the person listed below. Please allow 2 – 4 weeks to process your quiz.

Name: _____ CDT # if applicable: _____ DOH Lic #: _____

Laboratory Name: _____

Address/City/State/Zip: _____

Phone: _____ Email: _____

FDLA, 325 John Knox Rd, Ste L103, Tallahassee, Florida 32303 • (850) 224-0711 phone • (850) 222-3019 FAX
