**Digital Dental Photography:
Techniques and Tips for the
Laboratory Technician**

*By M. Reed Cone, DMD,
MS, CDT, FACP*

NBC Approval #35929
CE Broker # 20-622347

1. The company that makes the camera is very important since not all contemporary digital cameras today are capable of producing high-quality images.

- a. True
- b. False

2. The type of camera does not matter. A DSLR/system camera works just as well as a point and shoot model.

- a. True
- b. False

3. A DSLR camera will provide greater flexibility and control over the settings as well as allow for a wider variety of lenses and flash accessories to be attached.

- a. True
- b. False

4. To achieve the highest resolution possible, a camera body with a full-frame sensor should be selected for dental photography.

- a. True
- b. False

5. A dedicated macro lens is a must in the photographic arsenal of every technician.

- a. True
- b. False

6. A macro lens in the range of 80mm-120mm is recommended.

- a. True
- b. False

7. There are essentially four main settings on a DSLR that will need to be understood and taken into consideration by the dental technician.

- a. True
- b. False

8. The aperture is simply the opening inside a lens, and it controls the amount of light that enters through the lens and passes into the camera.

- a. True
- b. False

9. The ISO value represents the sensitivity of the camera sensor to light.

- a. True
- b. False

10. The camera lens further provides a remarkable outlet for the technician to tell a story and document a case from their unique point of view.

- a. True
- b. False

Passing quiz grades are worth ½ point documented scientific credit towards your CDT or RG renewal and towards the State of Florida required 18 hours of continuing education. Look for more quizzes in future issues of focus magazine!

You must submit your completed quiz to FDLA by fax at (850) 222-3019 or by mail to the address below. For CDT credit, FDLA will report your hours directly to NBC. For State of Florida credit, FDLA will email or mail a certificate to the person listed below. Please allow 2 – 4 weeks to process your quiz.

Name: _____ CDT # if applicable: _____ DOH Lic #: _____

Laboratory Name: _____

Address/City/State/Zip: _____

Phone: _____ Email: _____

FDLA, 325 John Knox Rd, Ste L103, Tallahassee, Florida 32303 • (850) 224-0711 phone • (850) 222-3019 FAX

This quiz is provided to test the technician's comprehension of the articles content, and does not necessarily serve as an endorsement of the content by FDLA or NBC.
